

2021 ANNUAL MEMBERS EXHIBITION

The Indiana Artists Club, Inc. (IN/A), was founded in 1917 by a group of forty-six artists including such notables as T. C. Steele, William Forsyth, Otto Stark, Carl Graf, Wayman Adams, Simon Baus, Marie Goth, Frederick Polley, Clifton Wheeler, Randolph Coats, Carl Lieber and Alex Holiday.

The purpose of IN/A is to hold statewide exhibitions, workshops, demonstrations, and to provide social interaction among its members. A board of directors, elected yearly, leads the organization. The organization has sponsored annual exhibitions since its inception. The Annual Juried Exhibition is held each spring at the Indianapolis Museum of Art at Newfields. The Annual Members Exhibition is held each fall at various locations throughout Indiana.

Exhibitions of the current membership are composed of a wide variety of styles and mediums, both contemporary and traditional.

To become a member, it is necessary to have been born in Indiana *or* have been a resident for two years. In addition, you must have been accepted into three differently sponsored juried exhibitions with three separate works of art.
