Shawn Krueger - Judge

Our judge for this year's Members Exhibition, Shawn Krueger, is a contemporary landscape painter whose work sits comfortably in both the American Tonalist and Arts & Crafts traditions.

Krueger currently lives and keeps a home studio in Grand Rapids, MI. Over the course of his career, Krueger has shown his landscape paintings with a variety of galleries across the United States.

The artist's continuing focus in his studio and plein air work has been to identify the poetry within a given landscape while seeking to discover a sense of his own place within it. • shawnkrueger.com
